

SPIRITUAL LIVING AS THE WAY

“I work the works of God, who works through me to will and to do that
which ought to be done by me...”

Emma Curtis Hopkins, *Scientific Christian Mental Practice*

Purpose: **DIVINE SUPPORT**

Vision: **LIVING LIFE WITH GRACE**

My intentions for Spiritually Mentoring YOU are:

1. To meet with You as The Loving Presence at the invitation of The Christ Within.
2. To hold your hand as you face your deepest fears.
3. To know the Truth for You when You cannot.
4. To witness You experience the active Presence and Support of God in your Life.
5. To celebrate with You when You demonstrate the Presence of Love in your Life.
